Section 5. It shall be unlawful for any person to store or permit the storage or accumulation of building materials on any private property except in a completely enclosed building or except where such building materials are part of the stock in trade or business located on said property or except when such materials are being used in the construction of a structure on the property in accordance with a valid building permit issued by the Township of Williams and unless such construction is completed within a reasonable time.

Following the hearing, the decision of the Township Board as to the violation shall be final.

Section 8. If the owner and/or occupant of such premises shall not cause such material in violation of this Ordinance, as described above, to be eliminated or removed within 10 days after notice or within 10 days after the decision of the Township Board is rendered in case of an appeal, the Township Supervisor shall direct some person, or persons, to remove and/or eliminate the same at the cost and expense of the owner and/or occupant of the premises. After causing such materials to be eliminated or removed, the total expense incurred by the Township

shall be a lien upon the property and the same may be collected in any manner authorized by statute and, if not paid, may be placed on the Tax Roll and collected the same as other taxes.

Section 9.
