

# Williams Charter Township Notification

- Intended for residents located in Williams Charter Township

Williams Charter Township, in conjunction with Republic Services, is pleased to announce an expanded solid waste collection program for the Township which includes a cart for each residence for the containment of their solid waste. With this new service Republic will also be changing collection days for the Township residents. Republic will now be servicing the entire township on **Tuesday** for your solid waste. Your new recycle and yard waste collection day will be **Monday** for the entire township. Please pay careful attention to the attached calendar for your new collection schedule. Recycling will still be collected on an every other week basis and yard waste will remain weekly in season. Please refer to the new 2015 calendar with this mailer for your new solid waste, recycling and yard waste schedule.

## **How will this system work . . . ?**

Republic Services will provide each household with one (1) 95-gallon curb carts that have the capacity of (3) 32-gallon trash cans each. On your collection day, simply place your Cart at the curb with the handle facing your house. Make sure you have a minimum distance of four feet from other objects such as mailboxes, parked cars, and even your bulky items. Republic Services new automated collection truck will then pick up the Cart, empty it, and return them to its original location. It's that simple!

## **Solid Waste Collection . . .**

The Curb Cart should be placed at the curb **NO LATER than 6:00 AM** on Tuesday. If you have more waste than what your cart can handle, please bag and place **NEXT TO** the cart, **NOT ON TOP** of the cart. The driver can easily empty the cart, then refill it with the other bag and empty again. Generate more than the contents of one cart? Need another cart? Please contact the Republic for details.

## **Recycling Collection . . .**

Recycle bins should be placed at the curb **NO LATER than 6:00 AM** on Monday. Recycling will be serviced on an **every other week** basis. Please refer to the NEW Acceptable Material Guidelines included with this information packet to find out what can now be recycled. Generate more than the contents of one bin? Need another bin? Please contact the Republic for details.

## **Yard Waste . . .**

Yard waste will now be collected on Monday. Yard waste will remain serviced on a weekly basis starting in April and going through November. All yard waste must be placed in biodegradable Kraft paper bags or placed in 30-gallon cans, clearly marked as yard waste. Positively no plastic bags will be accepted. Branches and twigs smaller than 2" in diameter must be placed in bundles no larger than 2' by 4' long or 50 pounds per bag or bundle. Positively no tree trunks, stumps, construction or demolition debris will be accepted.

## **Cart Care . . .**

With the right care your new Cart will last for many years without needing maintenance. Please use trash bags to contain your waste inside the Cart. This will reduce the need for periodic cleanings. Your Cart has smooth surfaces that allow it to be easily cleaned with a regular garden hose and dishwashing soap. Do not place hot ashes, construction debris, and/or hazardous waste in the Cart. Please do not paint or write on the Cart. Each Cart is labeled with a serial number. Residents should take note of the serial number of their specific Cart. If it is lost or stolen, please provide this number to the police then provide a copy of the police report to Republic and they will provide you a replacement at no additional charge.

## **Moving . . .**

If you move, do not take the cart with you. The cart has been assigned to the property address along with the serial number and should be available for the next occupant/owner of the household.

## **Prohibited Items . . .**

Items prohibited are: dirt, sod or rock, hazardous waste of any kind, liquids of any kind including paint, flammable materials such as oil, or gas, concrete, hot ashes; yard waste of any kind, large amounts of remodeling or demolition materials, whole tires or any other material to be determined as prohibited by State Statute.

## **Holidays . . .**

When a holiday falls on or before your collection day, there will be no collections on that day, and the rest of that week's refuse and recycling collection will be one day later than usual.
